POST CARD

[illegible] 08. Rec'd your cards
Maude & they were lovely.
We have been very busy in-
voicing since I returned from
Marion. What did Santa bring
you for Xmas? We had a fine
time Christmas & I rec'd several
nice presents — best of all a set
of [illegible], [illegible] got a [illegible] post-card
book. I am proud of my collection
of post cards. I am tired to-
night & sleepy too. And I must
write a letter home before I can
go to bed. I always write a letter
home every Sun. night.
With love,
M.B.C.
